Well, Carol - I'll see how much space I can fill! Now, have I said anything about the bad time you gave me? No! and, why not? 'Cause I figure if you want to, you'll make it up to me... yes, of course I remember all those gloomy letters from last year... I hope you didn't mind writing back and forth with me... I mean, I had a great time 'cause you have a fabulously spiffy effect on me. Course, we had a lot of fun in Driver's Ed, tho I wasn't fortunate enough to be in your road class... we made the most of it, though (yes?) and I really enjoyed the lime sherbet & chocolate sauce that you gave me (and of course you know how fond I am of Mike, your parents, Rusty, and of course, Renee - beautiful Renee, she's so... so captivating) anyway - you just told me to hurry up with this, so I will...

Carolyn - there's so much to say and so little space for it! So, as I said, maybe you can make up for your previous... discrepancies... and, as always say...

"I'm not angry... gods!"

I don't mind a deck with nine aces in it...

It's just that I dealt myself five aces,

and he has four aces in his hand,

And, besides that, I know

what I dealt him.

All my love (Rue)

*Winter*

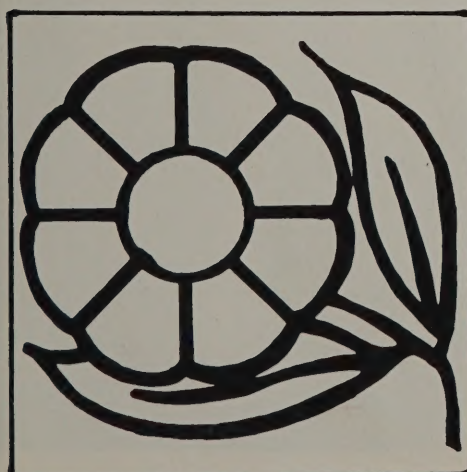

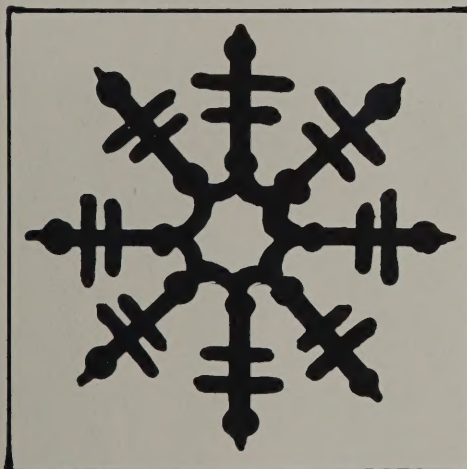

A season is . . . a summer of fun and relaxation, of vacations and of jobs. It is also a time of ripening and maturing of those growths begun in the spring.

A season is . . . a time of harvesting and of preparing for a winter of rest. A period where everything exhibits its utmost in color.

A season is . . . a winter of snowy whiteness, brisk air, and a warmth of heart. It is a time for holidays and the spirit of peace and good will for all.

A season is . . . a spring of fresh new beginnings. A melting of snow and a blooming of daffodils. It is a time for a rebirth of spirit and new hope for another good year.

And as each season progresses, the leaves of the calendar are turned, unfolding a new school year, rich in beginnings, fulfillments and successes.

Summer is a time of relaxation and rest. The green leaves of **summer** provide shade for picnickers and for those who just like to loaf during a few free **hours**. The hot summer days bring out the area sunbathers in full force while others go on vacations, encountering new experiences, meeting new people, and visiting both new and old places.

This summer also created a "first" in Highland's history, that of having a newly-married couple, Sheryl and Jim Thompson, teaching in the school.

There **are** also a variety of jobs open to the many who like to keep busy and who enjoy the challenge and **fun** of earning some extra money.

Opposite Page Upper Left: A lazy swimmer enjoys the water. Opposite Page Lower Left: Mr. Keck managing an uncooperative sprinkler. Opposite Page Right: Nancee Kolarek dashes to a summer practice session. Above: Sandy Rantfl receives change from Becky Roach at her summer job. Lower Left: Newlyweds, Mr. and Mrs. Thompson, at their reception. Lower Right: A radiant bride with her husband at their happiest moment.

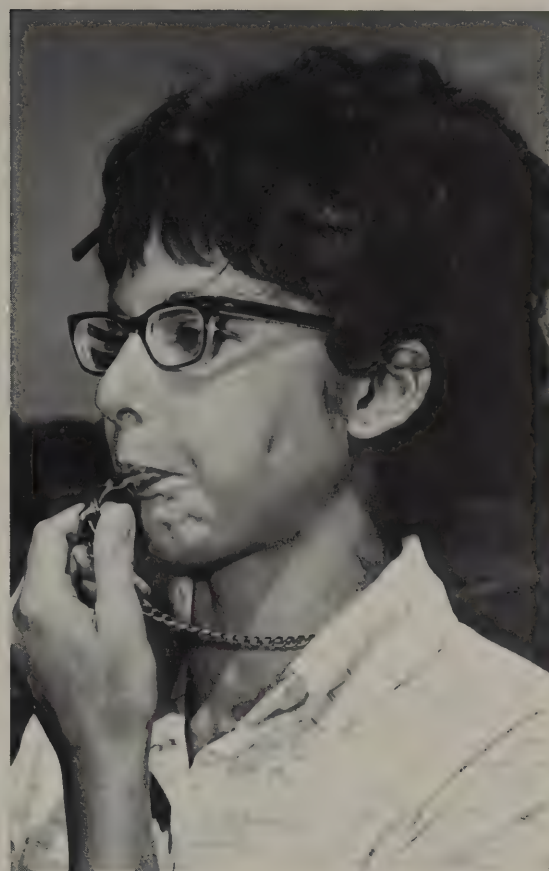

With August drawing to a close, a season of preparation begins as the football team and band practice diligently.

From sprinting and running gauntlet, to scrimmage and shed drill, the sweat and strain of football practice seems hard and unending, but will result in a **successful** season.

The boys begin **practice** two weeks before school opens, and by the first day of school are looking forward to that exciting first game.

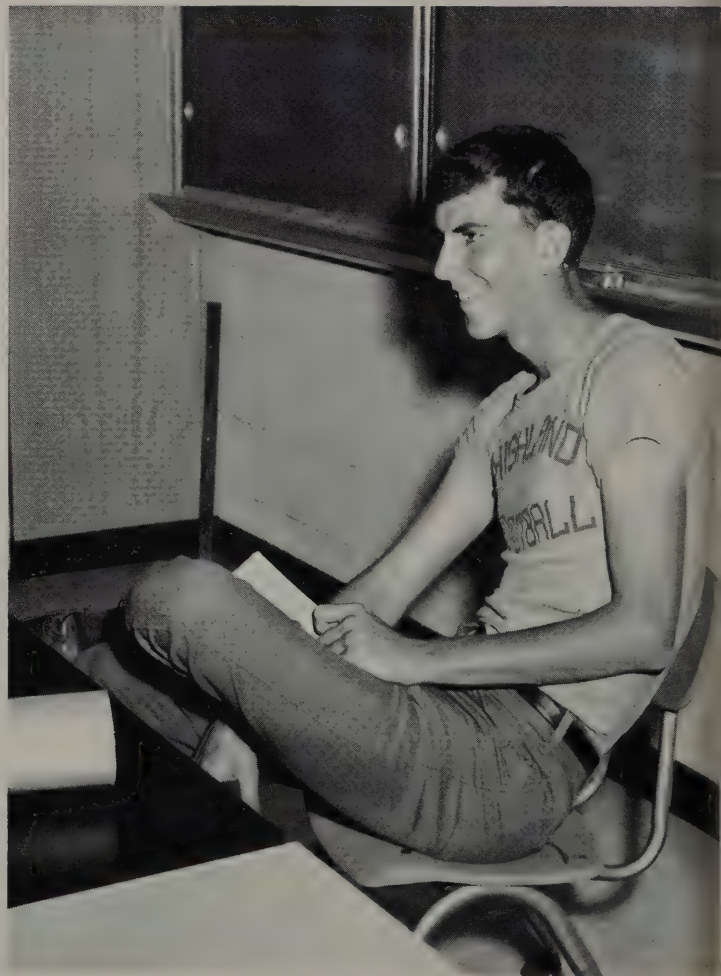

Also looking forward to the game is the band, which takes **pride in** each half-time **performance**. During the summer, the band is whipped into shape with cries of "hubba" on hot days, and the bafflement of learning new drills.

**Upper Left:** Mr. McFarland supervising the work-out. **Opposite Page Right:** Jim Rantfl as he punts the ball. **Center:** Team working out on the sled. **Lower Left:** Les Feagan practicing his tuba. **Upper Right:** Sue Orchard as she signals attention. **Lower Right:** Majorettes, Carolyn Duta and Candy Kelly discuss their routine.

As students prepare for the coming year, so do staff members. Their summer has been relaxing as well. We know that many **have** spent enjoyable vacations with their families and some have furthered their education, but all must soon get back in the swing of things.

Classes must be **planned**, menus prepared, and the building cleaned and repaired — all before school begins. The secretaries are gathering together schedules, records and the countless other papers necessary to maintain a **smooth-running** school year.

**Lower Right:** Mr. Shook doing some cleaning.

**Members of the School Board are as follows: Seated,** Mrs. Evelyn Brunskill, Clerk; Mr. Vermillion, Superintendent; and Mrs. Elsie Hummel. **Standing,** Mr. William Kelly, Mr. Robert

Schmelzer, President; Mrs. Josephine Becks, Vice-President; and Mr. John Wiszt.

Mr. Lewin O. Vermillion is superintendent of the Highland School District. In dealing with various people who have an interest in our school, Mr. Vermillion must be skilled as a diplomat.

Acting as head-coordinator of the educational program he must manage transportation throughout the district and help the school board with budget planning.

There are other fundamental departments working together in the school, also. The cooks, custodial staff, office staff, and guidance counselors are these

people behind the scene.

The custodial staff aids by cleaning, by making repairs, and by keeping the grounds in order.

The cooks, besides the actual preparation of the meals, must serve and clean up afterwards. The staff is always trying to please the students and to provide good-tasting, nourishing meals.

The guidance counselors, as well as giving various tests and recording the results, advise students on their plans for the future.

Our principal, Mr. Richard W. Chaffee, would like this year to be a memorable one at Highland High. His main goal is to help students realize that the most important objective in this day and age is for them to become contributing citizens in the society in which they live. They must learn to practice the principles of democracy.

Mr. Chaffee is always willing to devote a portion of his busy day to the students. A capable leader, Mr. Chaffee feels safe in placing his confidence in young people.

# FALL

The warm sun is failing, the bleak wind is wailing,  
 The bare boughs are sighing, the pale flowers are dying.

As the school doors open in September, veteran students and **incoming Freshmen** flood the spotless corridors. Previously empty lockers soon **are** filled with school books and miscellaneous items. **Confused** Frosh are found wandering about halls, hunting for their various classrooms. An orientation assembly provides the first true uniting between students and teachers.

**Lower left:** A Freshman studies a map of the school.  
**Lower right:** Mike Cavanaugh gives an opening speech.

Highland's pep rallies bring together the students who have school spirit and appreciate our team. The **cheerleaders**, with the help of announcer, Les Feagan, **lead** the student body in a variety of cheers.

During the pep meeting, continued **competition** for the **spirit stick** keeps morale high and instills a fever of excitement for the upcoming game.

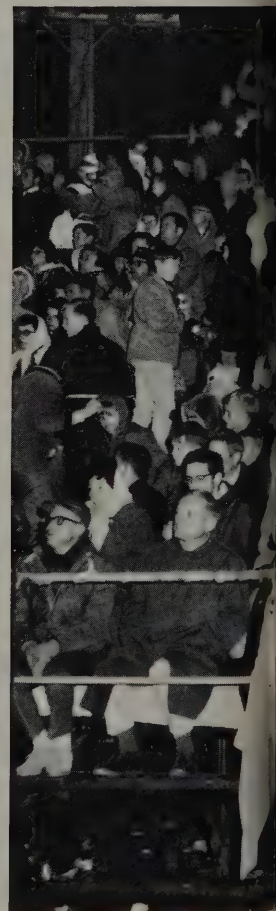

Upper left: Enthused students cheer the team.  
Right: Dave Zeile is a "second-string" cheerleader.

1968 Homecoming Queen and Court

An October chill of excitement filled the stands with the familiar faces of alumni who had "come home" for the eventful game.

At the pre-game ceremonies, the **queen** and her court were escorted across the field by proud fathers and friends. **Judy** then received a triple reward, that of being **crowned** and kissed by our tri-captains.

Despite the cold, all hearts were warm with the spirit of the occasion and many made plans to attend the dance the next evening.

Our Homecoming Queen, Judy Jolly, is surrounded by her court. The Sophomore attendant is Becky Hammond, Senior attendants are Cindy Bush, Johna Nivins, and Becky Newberry. Carolyn Duta is the Junior attendant and Sue Papp is the attendant from the Freshman class.

Radiant girls with their handsome escorts create a feeling of autumn magic. The lovely girls of the Queen's court **are escorted to** the stage, now transformed into a **harvest scene**. The little crown bearer conscientiously performs his important duty of presenting the queen's crown and the flower girl proudly gives up her roses to the happy queen. The football players take advantage of the Queen's Dance to show their dancing skills.

When the evening is through, a memory of Homecoming lingers in the empty gym.

Ken Dixon, Cindy Bush, Gary Jacobs, Johna Nivins, Ed Repp, Becky Newberry, tri-captains, Bob Young, Jim Ranftl, and Brett Reardon encircle the queen, Judy Jolly and her two young admirers, Danny Gaffney and

Susie Major. To complete the court are Sue Papp, Bob Wagar, Becky Hammond, Dave Smouse, Carolyn Duta and Park Crocker.

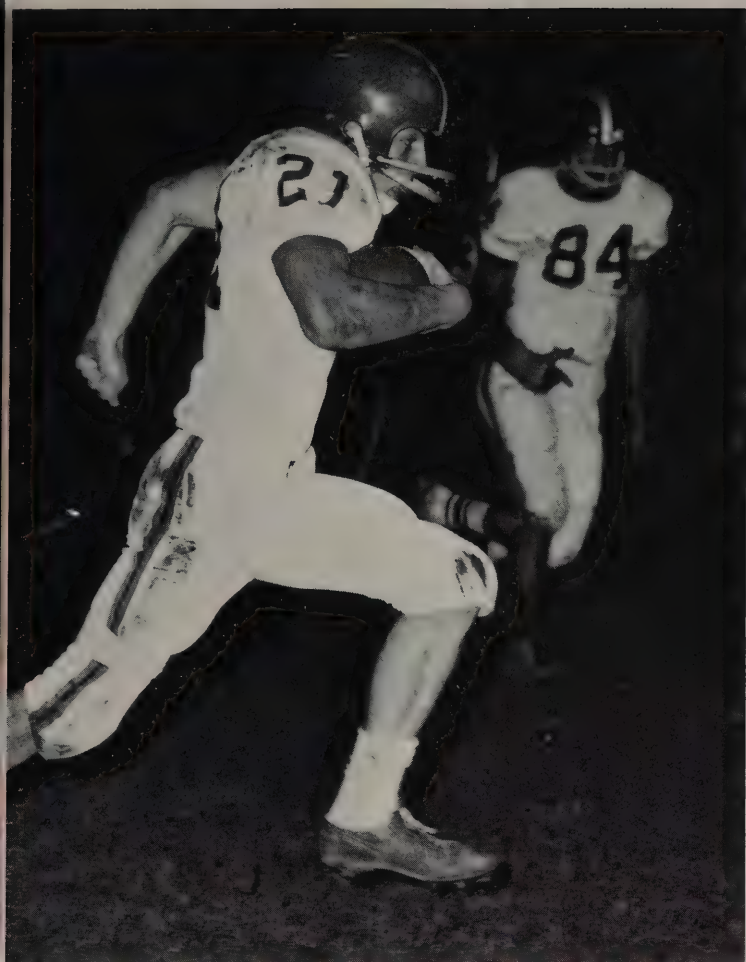

After an opening loss to Revere, the **Hornet's** football team continued with five straight victories over conference rivals. A scoreless tie with Firelands spoiled a perfect conference record. The team, however, bounced back to defeat arch-rival Buckeye and Wayne County power Triway.

Coach McFarland and his staff **are** to be commended for the fine work as are the players themselves. Despite pre-season predictions we are, for the third straight year, **champions** of the Inland Conference.

The blare of the brass, the **bright** colors, the sharp routines, and the **spirit** in the air are all a part of a marching band.

Many hectic band periods and long afternoons after school (in all types of weather) are spent **in** perfecting a routine. Squad leaders and the director help all of the members to learn their drills.

Basic **marching** fundamentals, such as knee-lifting, horn positions, turning corners, help to create a sharp-looking **band**.

Each year, a **bewildered** group of Freshmen face the dreaded ordeal of being admitted to high school. This year, our **Freshmen** class was privileged enough to have a special orientation session, in which they were **introduced to** the various activities, clubs, and courses available in the **high school**.

The Freshmen also have the gigantic, but indispensable job of decorating the football field for the Homecoming game.

They participate in Stunt Night, too. This year, in a cute skit called "A Toyshop at Night", they were given still another chance to get involved in high school **life**.

Many of the **students** assist as office help, library assistants, guidance help and kitchen help. They **do** many odd **jobs** that help ease the burden **for** the regular **staff**. These students not only give help, but also receive valuable experience that will benefit them later on.

The **newspaper** staff provides a precise chronicle, spiced with witty humor, of day-to-day activities.

Published monthly, "The Stinger" **was** made **popular** by its unique serial story, "Sam Skerotus", Dear Agnes' column and imaginative cartoons.

The staff's efforts have provided an enjoyable **addition to student life** and they deserve to be commended for a job well done.

The **annual** staff's many hard workers labor long hours to put out a good yearbook which will accurately and effectively picture the activities of the entire year.

In trying to capture a complete effect, the **members** must be aware of past, present and future plans of the school. Often, we could hear Nancee mumbling to herself about little improvements that could be **made** from previous year's books and giving hints to next year's editors about 1970's book.

Presently, layouts, advertising and copy must be coordinated with the varied ideas from the staff members. After a year of "brainstorming" and many trials and errors, the staff has created **Highland's** own "**best-seller**".

Some people said it couldn't be done! With opening night only six weeks away, it did seem to be quite a challenge; but, as always, **our seniors** pulled through.

A touch of nostalgia dominated the rehearsals as lines were **rehearsed** over and over to catch their most meaningful tone.

A theme as **bizarre** as that of "CHARLEY'S AUNT" lent itself to a wealth of comic **situations**. Les Feagan masqueraded as Mike (Charley) Cavanaugh's aunt in an extremely compli-

cated series of events, all to gain the loves of their lives, Nancee and Becky.

A foreign flair was introduced by the appearance of Donna Lucia D'Alvedorez, a beautiful Brazilian widow who was Charley's real aunt.

A **romantic comedy** of bygone days, "CHARLEY'S AUNT" is reminiscent of the era of long skirts, gaslight gaieties and the old adage that "all's well that ends well".

**STAGE CREW** — Clockwise from Top: Craig Stauffer, Becky Stuver, Cindy Bush, Lynne Johnson, Kathy Harrison, Barb Eastwood, Bob Kshywonis, Debbie Aring, Nancy Bakan and Norma Sherman in the center.

Mrs. Ludwig, "You're a brick!"

Big name entertainment comes to Highland!

Brett and Les, MC's for the evening, keep the show moving with take-offs from "Laugh-In".

Varsity H again, this time exhibiting their intelligence.

Did someone say "Greepling"?

All I got in this world is a 45 revolver!

The judges for the evening, Pastor and Mrs. Gephart, Mr. William Kelly, and Mrs. Hummel.

Prize-takers were GAA with 1st, Latin Club, 2nd, Chorus, 3rd, and Chess Club with 4th.

The curtain rises. An evil villain is tying a helpless maiden to the railroad tracks. A mysterious visitor (guess who?) pours out his problems to a sympathetic audience, urged on by a friendly MC. This is just a sampling of the sights and sounds in store on that frantic autumn evening of stunt night.

Judges have their work cut out for them to choose the best from among the many **hilarious** skits presented. Lots of ingenuity is displayed in costumes, props, and the unusual themes for these short skits.

Amateur **actors** have a field day when they **ham** it up before the student body with comical expressions and ridiculous poses. A few teachers even get into the act!

**Stunt night**, an annual event, provides entertainment for participants and audience alike.

Practice to win.

One of our newest clubs is the Chess Club. Working toward participation in the Regional Chess Tournament, its members **practice** to attain skill and strategy. Meanwhile, instruction in the game is given **to** new members by the more experienced. And as all chess players know, "It's not whether you **win** or lose, but how you play the game!"

The Photography Club members are students who wish to learn more about the art of picture-taking. Besides taking pictures for their own **enjoyment**, the club adds sparkle to the newspaper **with** interesting pictures taken candidly during school hours.

They experiment with different techniques, but, as they have discovered through experimentation, "Some **pictures** turn out, some don't!"

This one didn't!

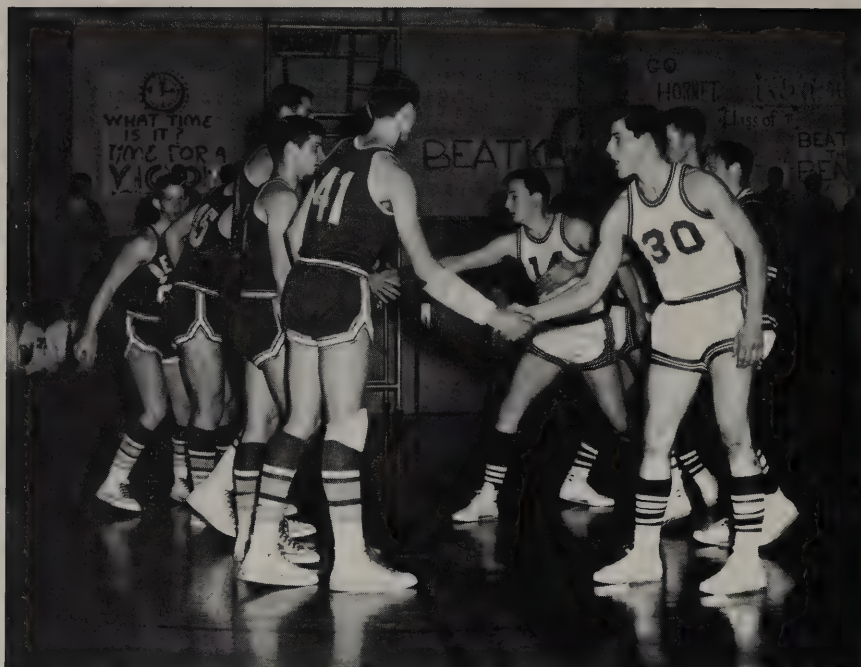

# WINTER

Over the harvest fields forsaken,  
Silent and soft and slow,  
Descends the snow.

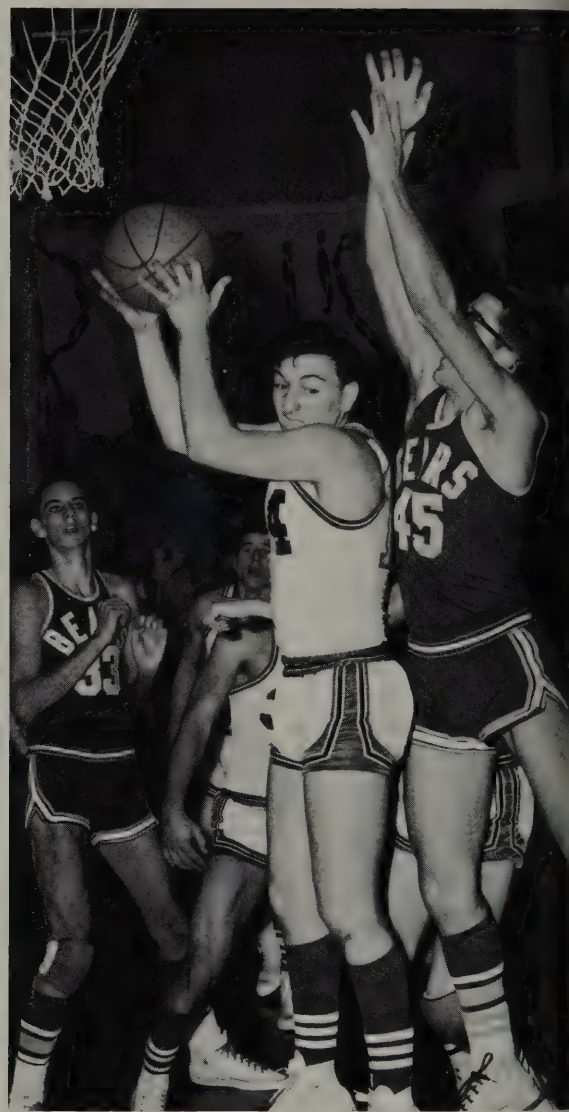

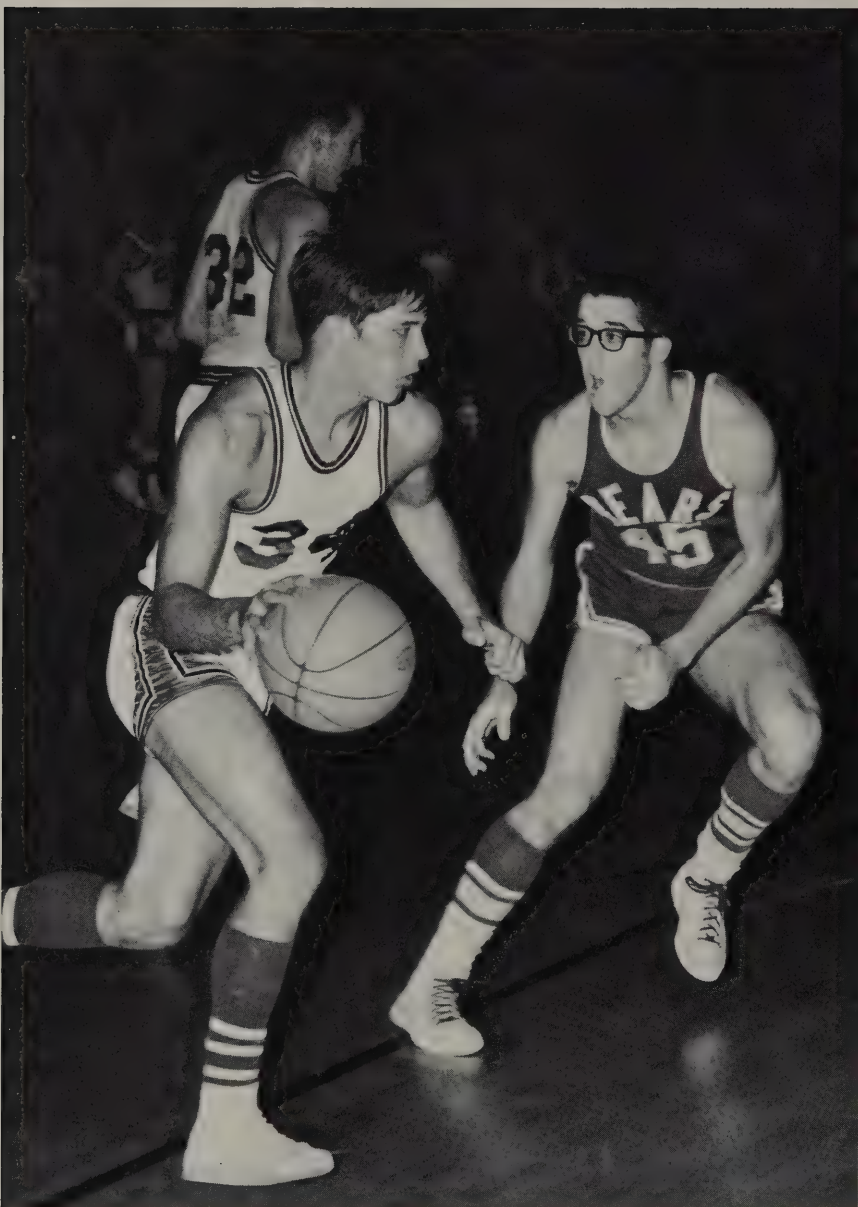

This year's basketball team, coached by Mr. Brenner, finished with a record of 5-14. The Hornet **round-ballers** got off to a slow start, losing their first seven games before gaining a 69-64 victory over Buckeye. The turning point of the season came a week later in an upset victory over North Royalton. It was apparent to all that Mr. Brenner's team was beginning to gel. Perhaps the strongest showing of the season came in a heart-breaking defeat to Avon.

The final record is deceiving as many will tell you. It fails to **reveal** the hustle, desire and **spirit** shown even in the face of defeat.

**Upper Left:** A handshake of friendship and a wish of luck precedes the struggle. **Lower Left:** Jim moves to his right after rebounding. **Above:** A "grim" look of determination crosses Greg's face as he pulls down a defensive rebound. **Right Center:** "Say, Dave, isn't there something in the rules prohibiting that?" **Upper Right:** Gary shoots from the foul line as Pat yells encouragement from the bench. **Lower Right:** North Royalton's Chuck Miller goes in heedless of the arms surrounding him.

The Junior Varsity team traditionally provides an interesting prelude to the Varsity game. This year's J. V.s proved no exception. Although the 11-7 record isn't fantastic, it fails to reveal the four losses of less than five points. On a team of mostly juniors, Sophomore Bob Green was the top scorer and rebounder.

Terribly underhanded, Mr. Cranston's freshmen completed a 3-7 season. Paul Orchard and Doug Dutt were the brightest prospects in the fold.

Mr. Thompson and his J.V.'s, namely J. Becks, J. Barron, B. Barnes, R. Raw, R. Hale, P. Holbert, P. Bonezzi, B. Searcy, B. Green, J. Cox.

The freshman basketball team included J. Hege, P. Orchard, J. Young, D. Dutt, J. Nell, D. Spurrier, B. Barnes, D. Girman. Absent is A. Dale. **Lower Left:** Coaches Cranston, Brenner and Thompson discuss strategy. **Lower Right:** Greg Wagar is playing defense against North Royalton.

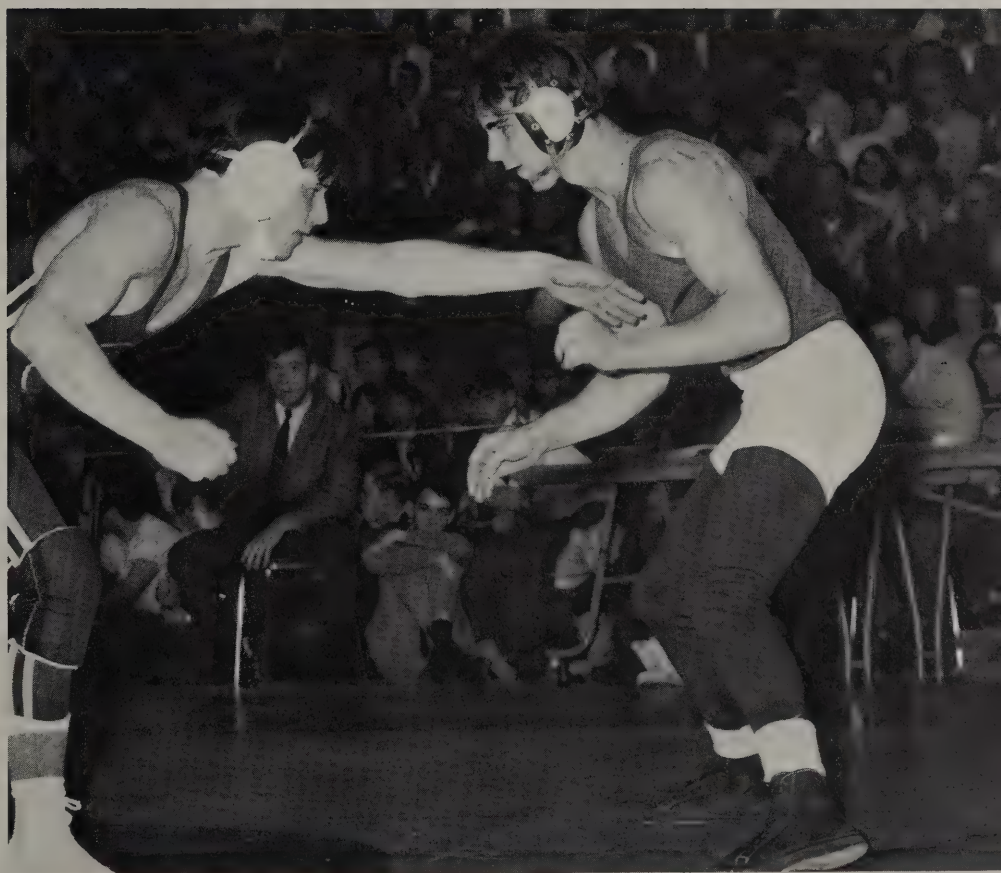

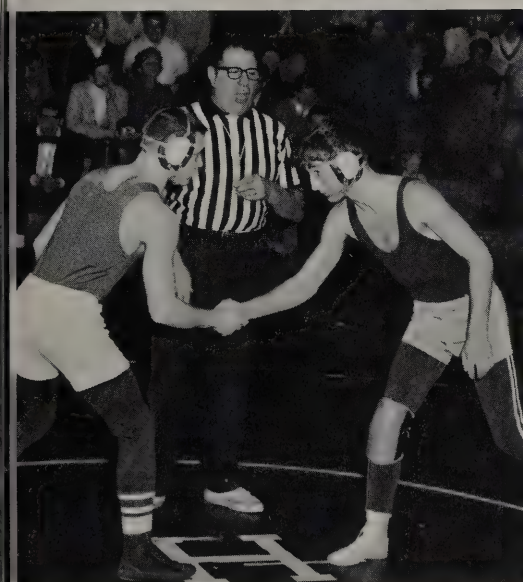

**Front Row:** Mike Cavanaugh, Bob Young, Tom Cavanaugh, Eric Fuller, Warren Vetter. **Second Row:** Park Crocker, Don Tomko, Bill Blynn, Jim Price, Ken Dixon, Craig Nell.

Mr. Bryson's trained killers extended their unbeaten streak with a 7-0 record. The **grapplers** also wrapped up four tournament first place laurels. In addition to first place trophies from Brunswick, Medina, and Northwest, the Hornets took the Berea Sectional and **sent** seven boys to the district tournament.

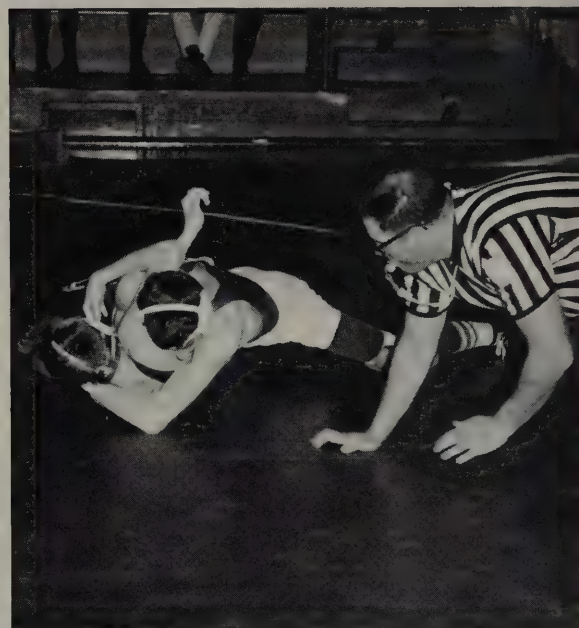

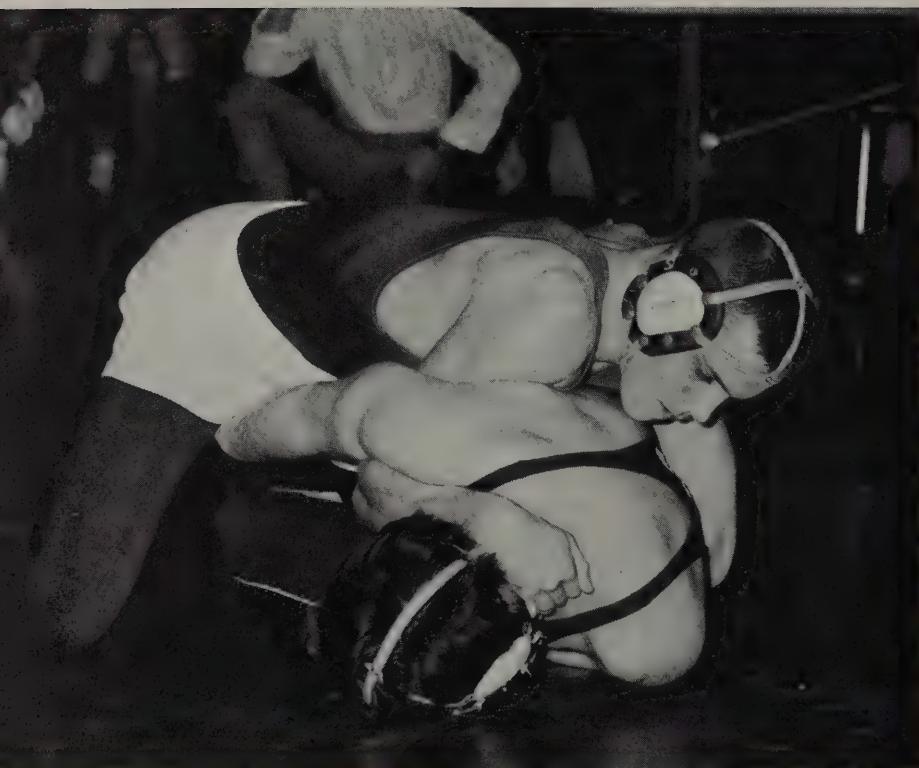

After emerging as victors at the district match, Bob Young and Ken Dixon made the memorable journey to **Columbus**. Bob finished with a fourth place medal at the State match.

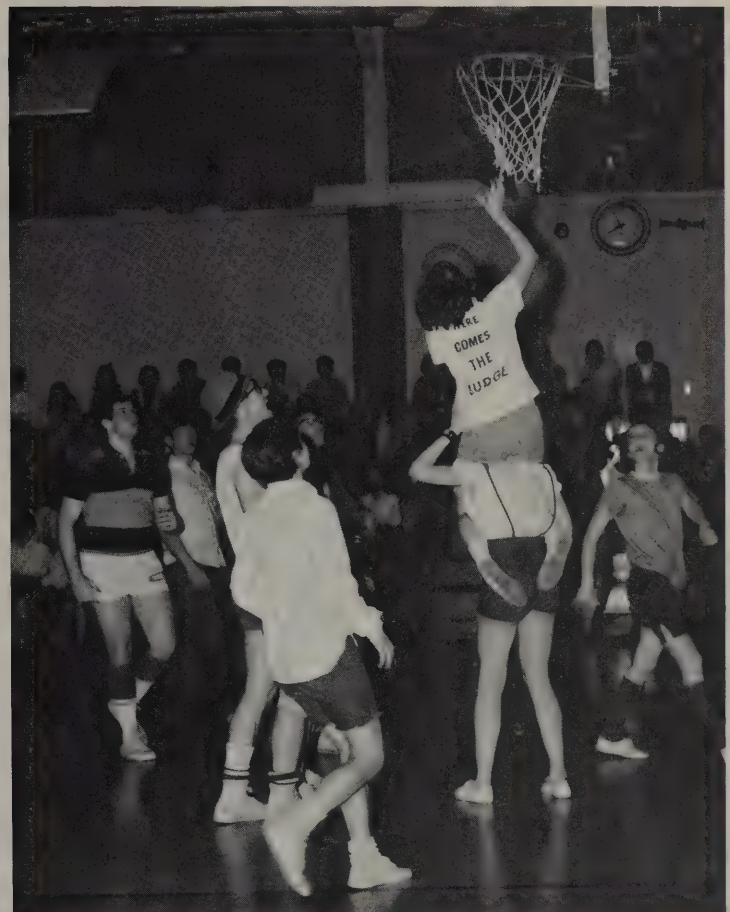

**Upper Right:** A familiar sight to Highland fans — Don Tomko and friends. **Lower Right:** Ken Dixon on his way to victory at the Midpark Districts. **Far Left:** Mr. Bryson's student help, Leah Fuller, Jane Spatz, and Cathy Cordle. **Left:** Our fearless leader. **Above:** Bob Young faces off against Rich Christiansen.

Upper Right: Tom Cavanaugh wrestling at the Midpark district tournament. Middle Left: Bob Young throwing the half. Middle Right: Eric Fuller versus Brunswick. Bottom: Mr. Bryson's trained killers.

Fun and excitement was the keynote to the success when the annual Senior vs. Faculty and G.A.A. vs. J.V. games were held.

In the lower left and right pictures, the G.A.A. displays some startling acrobatics as they battled the Junior Varsity to a 31-31 tie.

The faculty barely managed to squeak through to victory after a promising rally by the Senior boys.

As they return to school, everything seems "old hat" to those once-bewildered freshmen, the **sophomores**.

With added responsibility, sophomores are in charge of decorating the cafeteria in a colorful **fall** motif for the Homecoming dance. To raise money for **their** class treasury, they sell peanuts, peanuts, and more peanuts.

Thought and planning go into the preparation for both stunt night and Christmas. For each affair an original and unusual theme is selected.

At the end of their second year of high school, the Sophomore **Class** rejoices because they are one step closer to being Seniors.

A smashing success, the Senior Mixed Chorus really **performed** at **their** best this year. Under a new director, Mr. Ruddock, the chorus easily adjusted and gave three major performances, the Christmas and Spring concerts and the Inland Conference Festival.

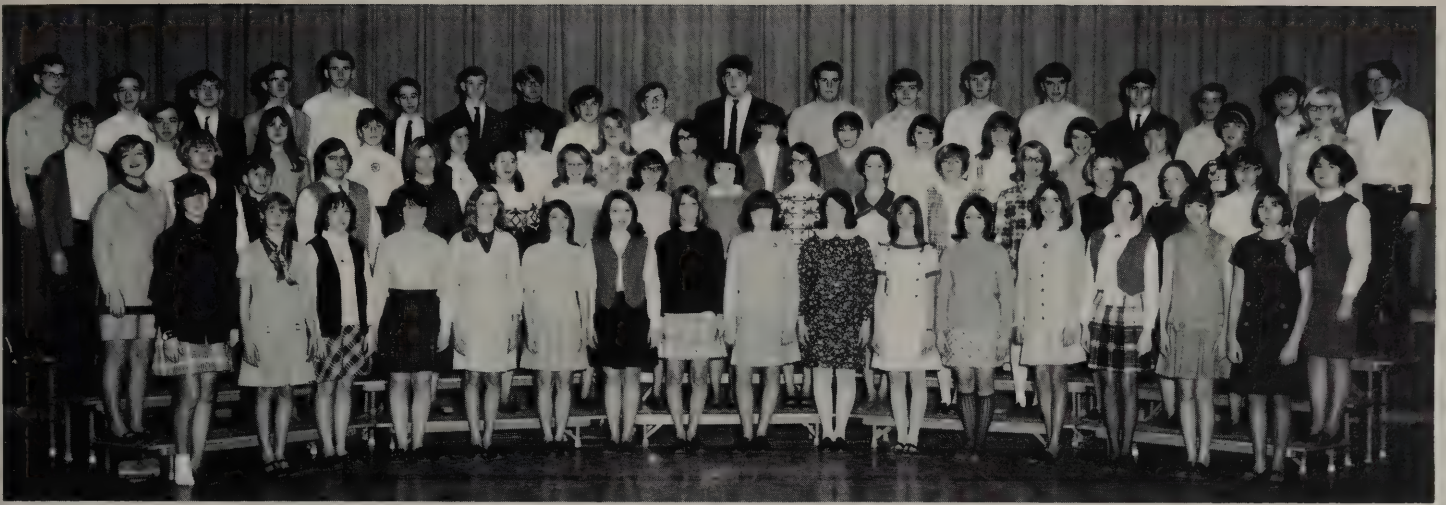

"Sleigh Ride" and the "Hallelujah Chorus" were **favorites** of the entire group.

Officers are Jane Spatz, President; Brett Reardon, Vice President; Jane Good, Secretary; Pat Ludwig, Treasurer.

L. A. Roach, D. Cartwright. **Seated** are: C. Yokum, M. Napier, J. Roach. **Right:** Our director, Mr. Charles Ruddock.

Comprised of Freshmen and Sophomores, the general mixed **chorus provides** valuable experience in choir singing. Two examples of the application of this knowledge were exhibited in their stirring pre-

sentation of "Exodus" and the modern "Love Is Blue".

The General Mixed Chorus is always a **welcome addition** to the school's **concerts**.

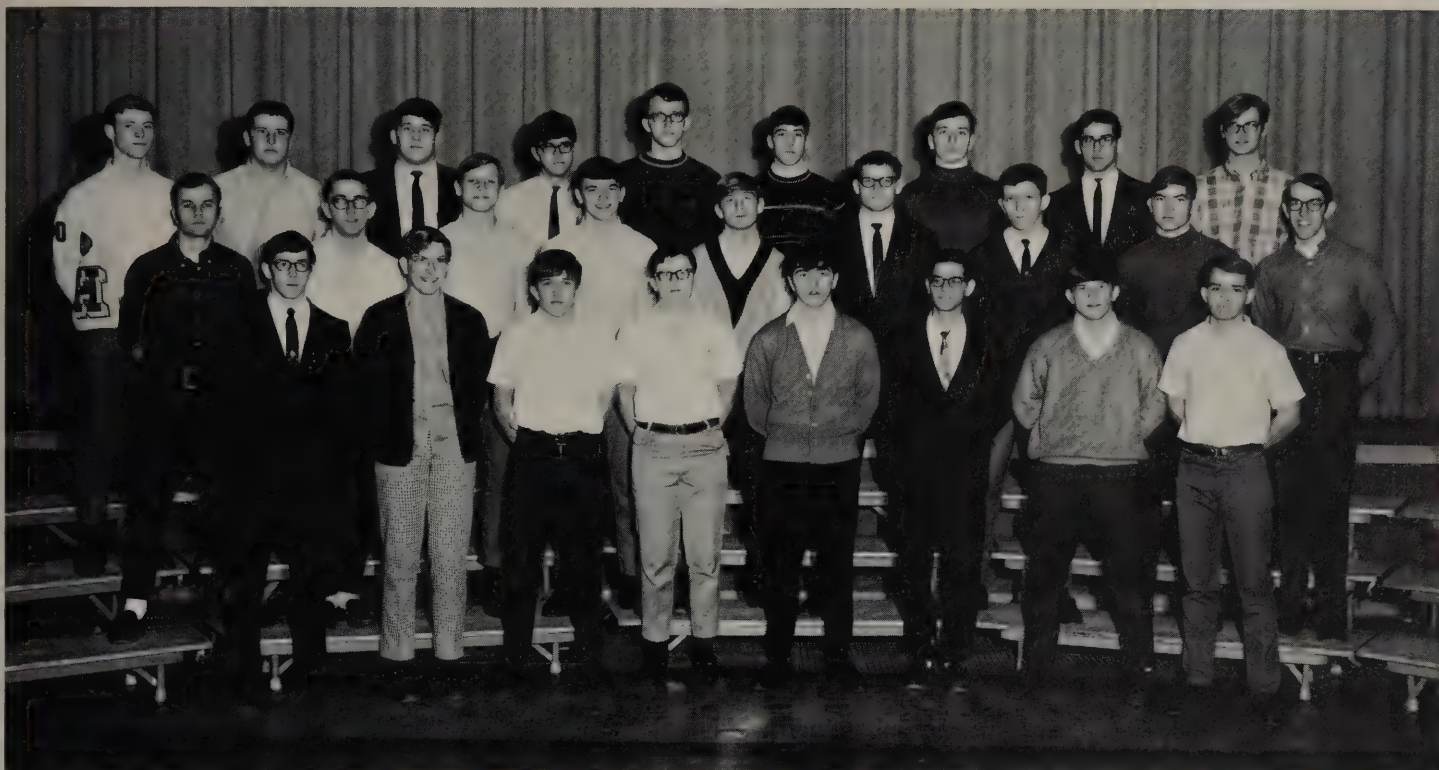

**Front Row:** N. Hirsch, B. Hammond, S. Good, C. Schultz, J. Zumbrunnen, C. Shaw, S. Ensworth, P. Sullivan, M. A. Beckwith, C. Showers, T. Palance, L. Kirstein, M. Napier, L. Harrison.

**Ring**ing in the air are the sweet **voices** of the Girls' Glee. In this well-balanced group, voices **were blended** together in pleasing three-part **harmony**. "Sunrise, Sunset" with its lilting tune was one of the girls' favorite songs as was "This Train", a number remembered for the giggles it induced in rehearsal.

**Front Row:** E. Fuller, B. Smith, K. Sir Louis, D. Morris, A. Polasky, G. Kufchak, I. Mealer, T. Kennedy. **Second Row:** V. Dulude, K. Hier, B. Peebles, K. Kellogg, M. Hausman, D.

Although small in number, the Men's Glee is big on sound and **enthusiasm**. "There Is Nothing Like a Dame" is just one number on which they **displayed** this enthusiasm. "The Water Is Wide" is a quieter

number but was sung with just **as** much feeling and intensity as the heartier pieces. No matter what type of song **they sing**, the boys do a great job.

The usual refreshment booth crowd!

A junior's year bursts upon him with a whirlwind of academic and social activities.

The sparkle of autumn must be captured in the decor of the auditorium for Homecoming. Later, thoughtful organization and planning are part of the magical spell cast during prom time. Yards of crepe paper, tissue-flowers and chicken wire are fashioned into a Grecian paradise in the gym, far removed from its formerly drab self.

**Everyone** works hard to sell their minimum of twenty odd boxes of assorted chocolates. Friends and neighbors are readily **impressed by the juniors'** salesmanship. The **prom** is financed by this candy sale.

Always ready to tackle any job, the juniors' initiative and diligence pull them through.

**Above:** Officers are Ella Laugesen, Treasurer; Barb Whitacre, Secretary; Nancee Kolarek, Vice President; and Mindy Robertson, President. **Middle:** The Y-Teens' version of the Buzzard Bump for Stunt Night. **Bottom:** A happily cooperating participant in initiations.

To grow as a person, to grow in friendship with people of all races, religions and nationalities, to grow in the knowledge and love of God, this is the code on which Y-Teens is based.

Through our **associations with one another**, the club has **made** friends and performed many services within the community. Cookies were sent to our boys in Viet Nam and the Children's Home was visited. We also had fun just learning new songs and being with one another.

On our trip to Washington, D.C., the boys didn't waste much time reminding us that we were an all-girls club!

It is hoped that this **year** has been a **worth-while** one for the Y-Teens and will always be fondly remembered.

Spanish Club officers are Libby Schreiner, Vice President; Roy Gaffney, President; Virginia Schreiner, and Tammie Johnson.

One of the newest additions to the Interclub Council is the **Spanish Club**. All their activities were **built** around Spanish themes.

A Christmas party was held in traditional Mexican style complete with the breaking of a candy-filled pinata. To commemorate Pan-American Day, a Spanish banquet took place on April 14th. Some members

will recall the underlying mishaps in the preparation of the spicy Latin-American dishes.

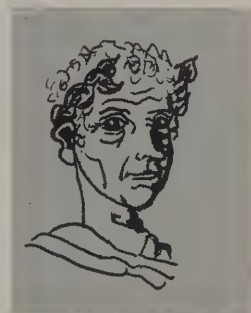

Off to a **good start**, we wish the Spanish Club the best of luck in the future.

The **Latin Club's** initial purpose **is** to enrich the students in Latin and Roman culture. "Venī, vidi, vici" will be remembered fondly by members who learned Latin, **the foundation** of many languages.

Meeting after school, they planned a Christmas party and a worth-while afternoon **of** visiting in a neighboring rest home. Even in **the** summer, members are brought together for a fun-filled picnic.

This **club** has always been a welcome addition to the school.

Latin Club officers are Eric Fuller, Treasurer; Jeannie Weidanz, Vice President; Debby Wecker, Secretary; Karen Scheuermann, President.

The Student Council helps to better **cooperation** between the study body **and** the council, thereby giving the students a voice in the school.

Presentation of a victory bell at the snake dance before Homecoming started the year on its way towards a whirlwind of **spirit**.

To keep our Council up on current ideas and advancements, it exchanged members with other area schools.

The Council got a lot done this year through the use of committees. One such committee gathered information from a foster child service and the school is presently sponsoring a little boy from Colombia.

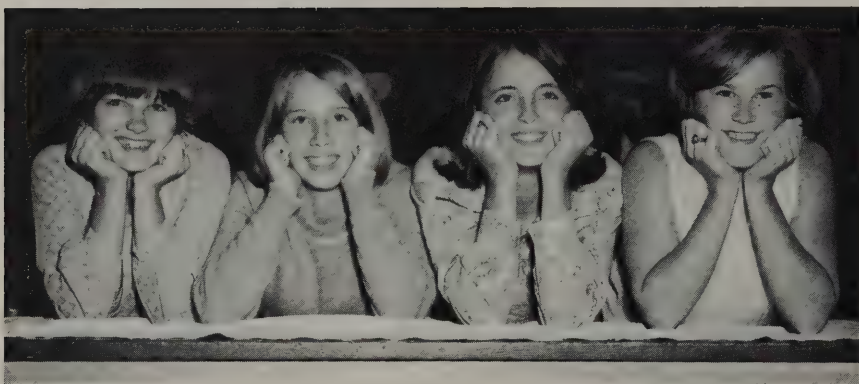

The Student Council's members work hard to **achieve** student and faculty **understanding** and to make the school a more meaningful place for students.

**First Row:** J. Weidanz, D. McDuffee, M. Brauckmann, B. Hammond, M. A. Chodera, D. Chambers, D. Searles, B. Smouse, T. Burkhead, M. Mendoza, M. A. Russell, J. Gaj, C. Shaw, J. Turner, D. Bash, K. **Officers are:** Secretary, Barb Smouse; Treasurer, Mary Sullivan; Vice-President, Barb Polasky; President, Nancy Jagger.

The **G**irls' **A**thletic **A**ssociation helps unite all girls in athletic fellowship, while it **d**evelops the fundamentals of good sportsmanship.

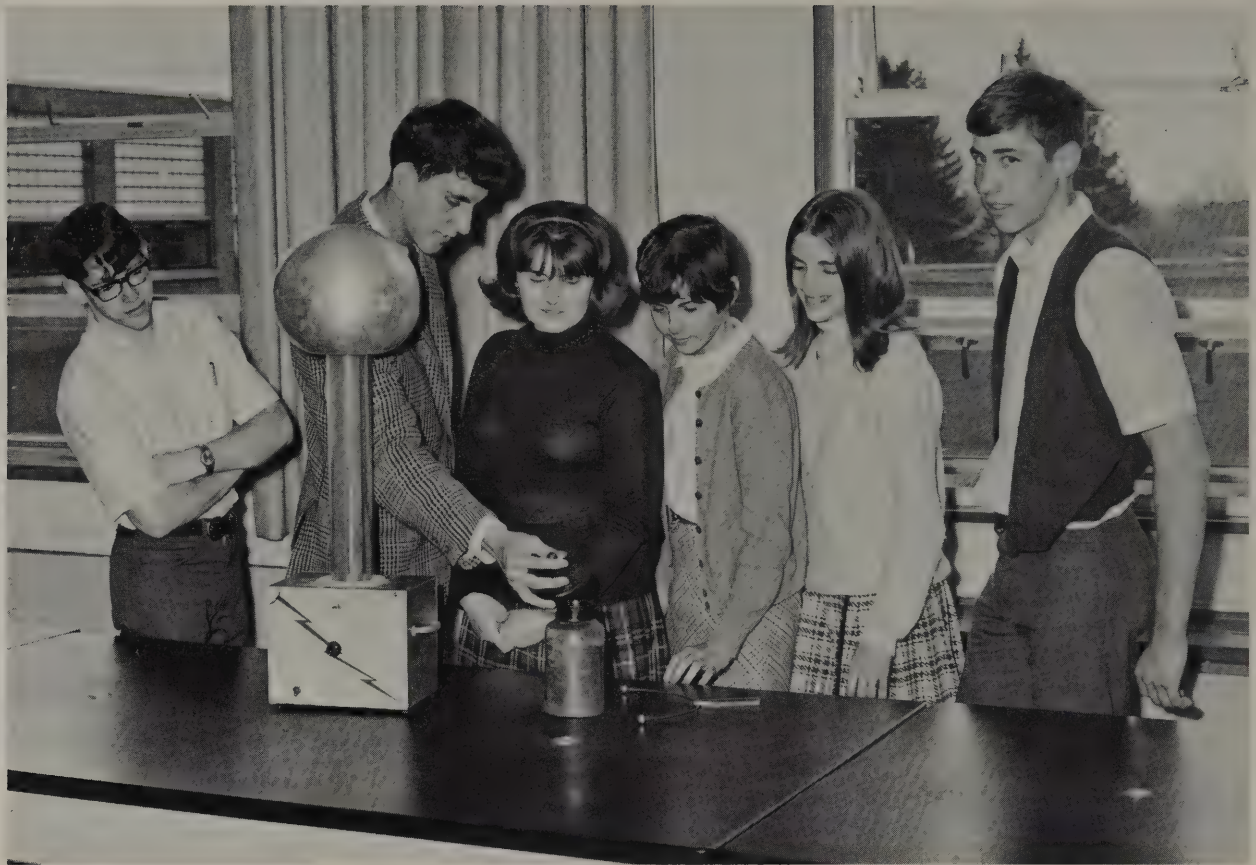

The club is not only concerned with sports. They sponsored a hayride and a Mother-Daughter banquet for its members, offering a **w**ell-**r**ounded calendar of events.

Enthusiasm is evident as the **g**irls practice and organize basketball and baseball teams which play with G. A. A. teams from other schools. Soccer and bowling are other favorites with the girls.

As always, a helping hand in the right places from their advisor, Mrs. Moran, kept these varied activities running smoothly.

A word found in everyone's vocabulary is "science", so simple and yet so complex.

Today's science **students must** learn past skills before they can look to the future of our rapidly-advancing technology of the space age.

As a **step toward** achieving this end, a science fair is held for junior and senior high students. The conglomeration of science projects come in a variety of fields; chemistry, conservation, botany, physics . . .

While on display in the gym, each project is evaluated by judges and is on display for the public.

The Science Club's fair gives all participants a chance to obtain valuable **experience in** the use of applied **science**.

Science Club officers are: Secretary-Treasurer Virginia Schreiner, Vice President Bill Barnes and President Jim Price.

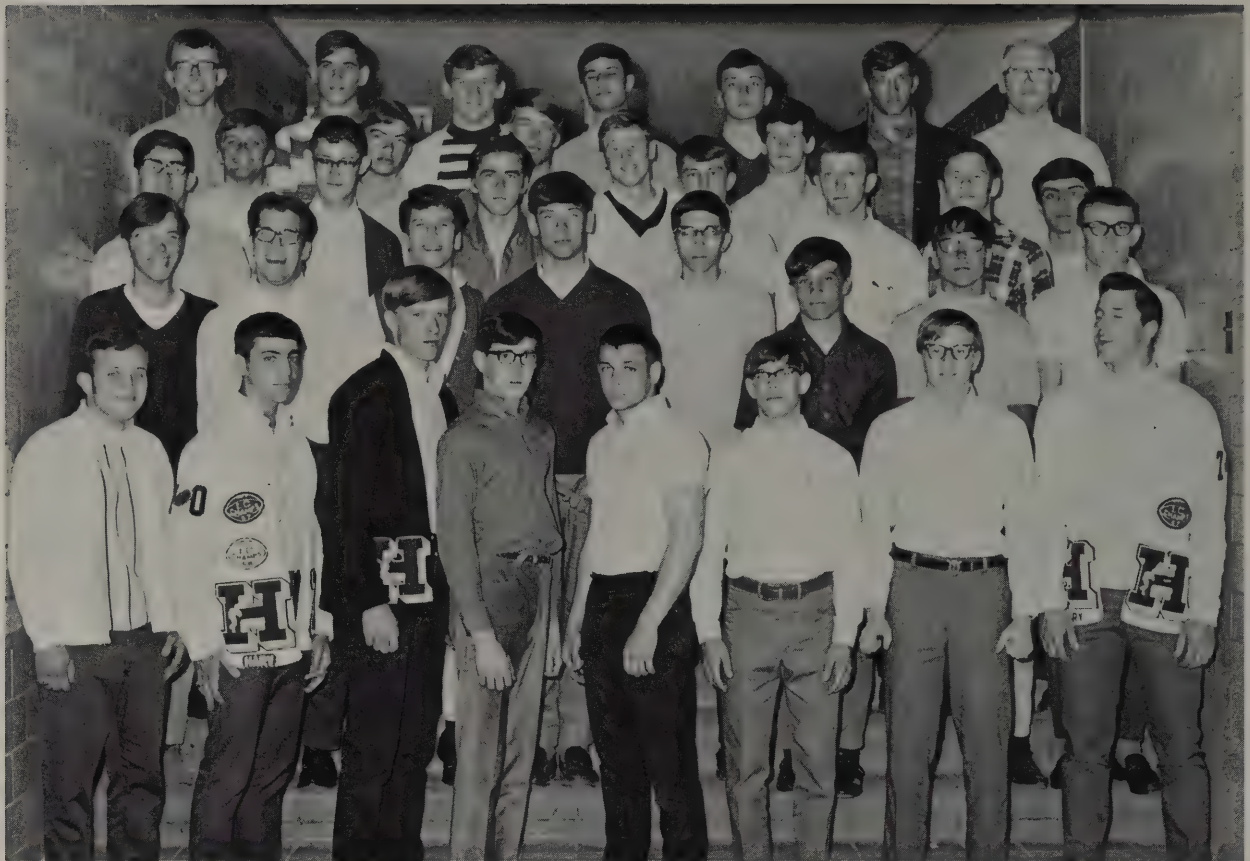

# SPRING

Anemones and primroses,  
And the blue violets of spring.

This year's **Varsity H** activities ranged from soul music at stunt night to water-skiing in May. During the year, the club **raffled game** balls in conjunction with the Booster Club and sold T-shirts to the student body. Not many will forget things like 5-A meetings, overeating at the Town and Country, Peaches and Herb, Greg Wagar on water skis or touch football.

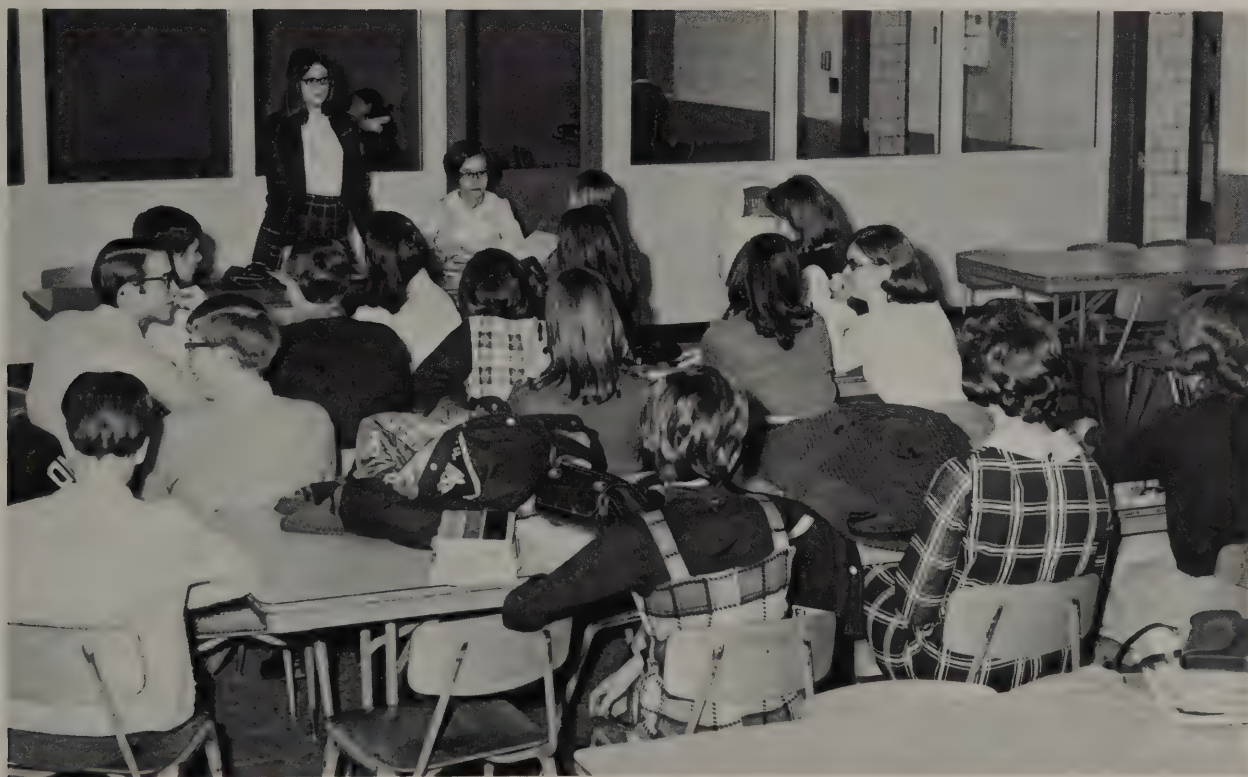

The **Future Teachers of America** provides a learning opportunity for students who wish to go into the teaching profession. During the year, the members performed many worth-while service projects within the community. This year, a magazine drive was held to collect reading material for patients in the hospital.

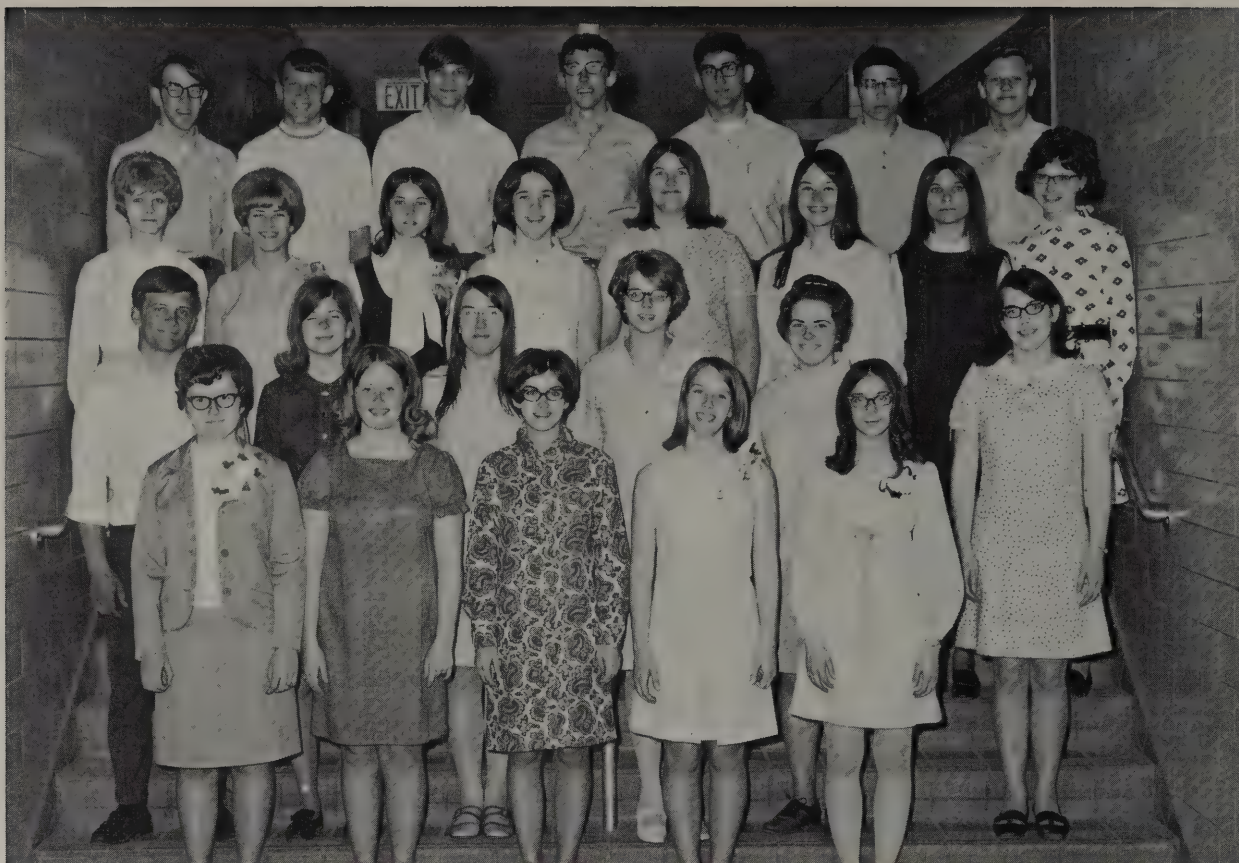

Their primary interest, though, is the valuable experience they gain through student teaching in the lower grades. Working with the children, they strengthen their decision to **teach**. But whether or not they decide to teach, it's an excellent occasion for learning to communicate with **people**.

F. T. A. officers are: Johna Nivins, President; Cathy Cordle, Vice President; Eric Fuller, Treasurer; and Norma Sherman, Secretary.

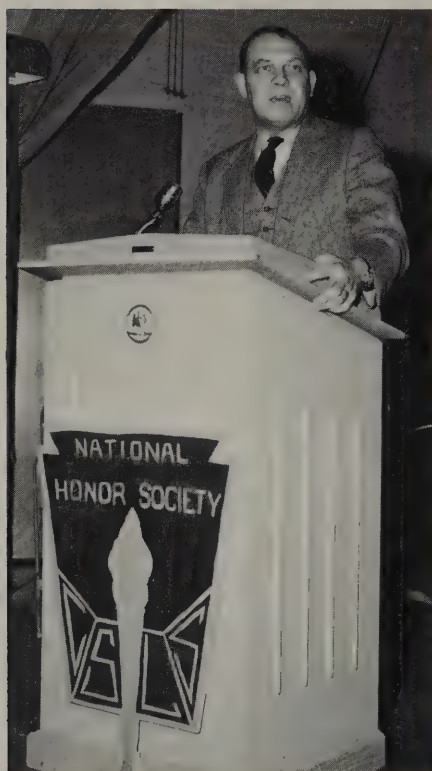

**Front Row:** L. Harvey, D. Cartwright, M. Leach, M. Sullivan, J. Good. **Second Row:** M. Cavanaugh, L. Johnson, B. Roach, N. Kolarek, M. Robertson, B. Barnett. **Third Row:** S. Rottmayer,

The Highland Chapter of the National Honor Society inducts new members who are outstanding in scholarship, leadership, character and service.

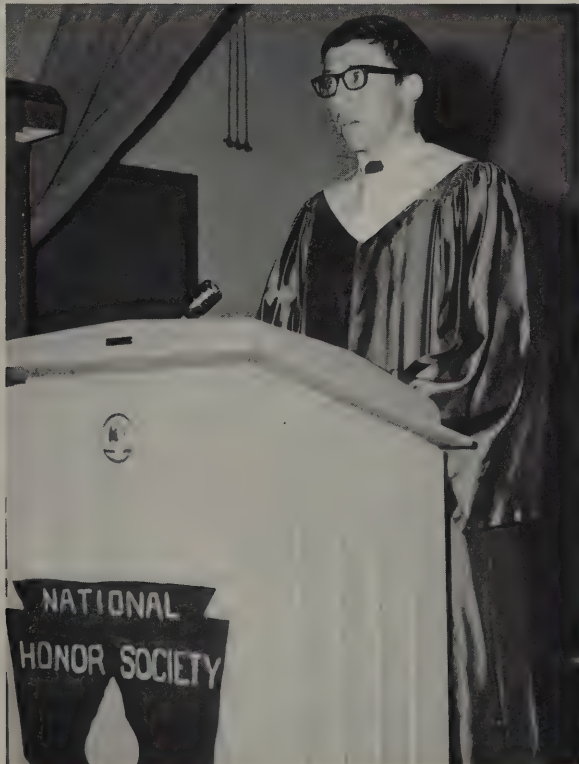

This year, **neophytes** were **presented** in a different manner than in previous years. Each was escorted by two N. H. S. members from the rear of the gym to the stage as his name was announced.

During the program, established members gave brief speeches on each of the four principles of the N. H. S. Guest speaker, Professor Qvam, spoke about how those principles concern education at all levels.

To complete the program, the new members took the N. H. S. oath administered by President Roy Gaffney and signed the scroll to become official members of the society.

This year, too, in order to create enthusiasm and encourage hard work, four of the members spoke about their own high **school** experiences to incoming freshmen.

Other activities includes correspondence with other societies, school visitations, and the sponsoring of the school's "Spirit Stick".

**Above Right:** The neophytes receive the N. H. S. oath. **Left:** President Roy Gaffney speaks to the student body at the induction ceremony. **Officers are** Mindy Robertson, Treasurer; Tom McDuffee, Vice President; Roy Gaffney, President; Nancee Kolarek, Secretary.

## "Belles On Their Toes"

Twelve children and a Mom who's an efficiency expert? You can bet this is a winner—and it proved itself to be one, the night that the **juniors** made their hilariously funny dramatic **debut** in "Belles on Their Toes".

The play takes place in the Flapper Era and is complete with knickers, floppy trousers, one-piece bathing suits and a demonstration of the Charleston!

And who could forget handy-man Tom's Special Quinine Remedy, an epidemic of chicken pox, and four girls who promised to give up dates.

Altogether, the night **was a complete success** and Director Mrs. Ludwig had every right to be proud of her work.

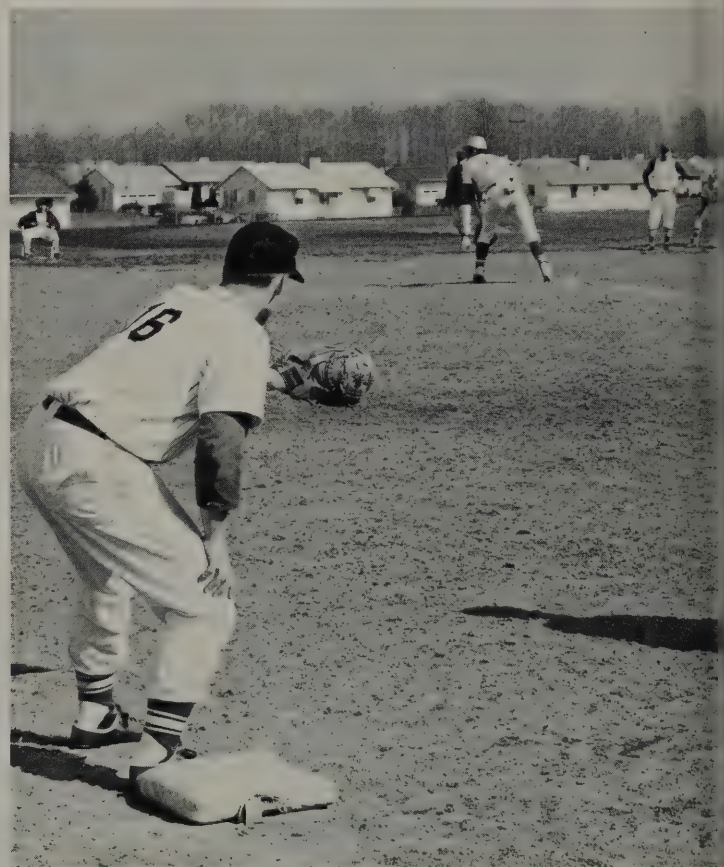

**Upper Left:** Bill Searcey rounds third base. **Below Left:** Paul Orchard holds at third as the ball is cut off by the short-stop. **Below Center:** Jim Barron leads off against Brunswick. **Below Right:** Harvey Beckwith slashes at a pitch. **Above Right:** Coach Ring confers with Larry Chimento and Harvey Beckwith.

Row: Coach Ring, G. Van Deusen, B. Reardon, T. McDuffee, H. Beckwith, R. Roach, T. Love, J. Ranftl, C. Nell, L. Chimento, J. Nell.

The 1969 Golf Team includes Bob Green, Tom Cavanaugh, Dave Zeile, Mike Cavanaugh, Joe Likosar, and Coach Brenner.

The varsity **golf squad** extended its unbeaten streak to a 34 match with another **unblemished record**. The team won the Inland Conference Tournament by a massive 57 stroke margin. The Hornet linesters placed first, second, third, and fifth with Mike Cavanaugh gaining medalist honors.

# Spring

Frenzied activity in the music department heralds the approach of the **Spring Concert** which was under the guidance of the directors, Mr. Ruddock and Mr. Eckart.

The concert **was** opened with "Buglers' Holiday", a cornet trio **accompanied by** the band. Even the pounding sound of a spring rain upon the roof couldn't mar the stirring effect that the "Sound of Music" medley had. The vocal department then sang songs ranging from those with gay tunes to those of a quieter nature. A barber-shop quartet brought back the days of the "Old Tin Lizzie", a girls' ensemble, **and** a tuba solo provided other entertainment. The band returned again accompanying a piano arrangement of "The Apartment" played by Nancee Kolarek.

The dramatic finale, a combination of both vocal and instrumental **talent**, produced a spine-tingling rendition of the "Battle Hymn of the Republic".

## Prom Activities

**Upper Left:** Jim Ranftl gratefully accepted the warm welcome extended to the senior class by Dave Kozman. **Upper Right:** Mrs. Weigle received flowers and a standing ovation from her students. **Middle Left:** Jim Price and Les Feagan read the senior class will. **Middle Right:** The seniors enjoyed hearing their class prophecy read by Tom and Gary. **Bottom:** Many people attended the prom banquet.

## Prom Dance

A prom is the product of many months of planning and weeks of hard work. As the day of the prom approaches, the **juniors** decorate all day in the hectic auditorium. Although tempers flare and confusion prevails as the "tons" of odd materials are arrayed all over the room, everyone works on his own initiative under the guidance of Mrs. Weigle and her assistants, Mrs. Ramey and Miss Radwanski.

By the time the afternoon activities begin, the finished gym has been transformed into a Grecian Paradise decorated with pillars, a lovely fountain and exquisite flowers.

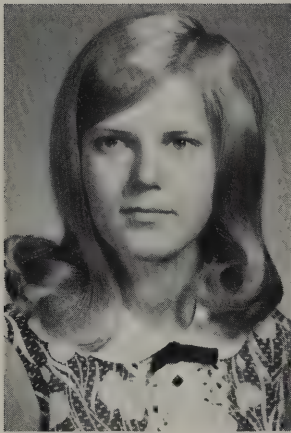

The **scene** for the next few hours is one of action and fun as the students bowl, swim and golf.

Evening brings out an air of refinement and a romantic mood as the elegantly dressed seniors and juniors attend the banquet. An excellent dinner is the highlight of a perfect occasion.

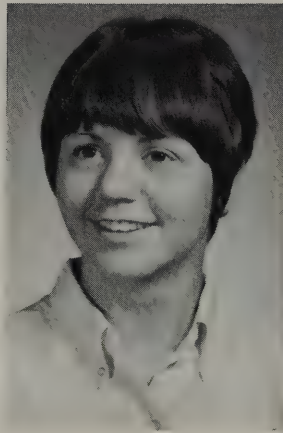

Everyone is now thoroughly excited about tomorrow night's dance, a **wonderful** way to end a wonderful **prom**.

The Senior Class of '69 will always remember the great times that have been captured in their action shots. One of their fondest memories will be the State Wrestling Tournament and our senior boys who participated. They also will not forget what class easily won the spirit stick each week. Their decorating talents were hard to surpass (except for falling trees at Homecoming and falling walls at the Prom!) In fact, when you get right down to it, in our opinion, the Senior Class of '69 was the best class ever!

## Valedictorian and Salutatorian

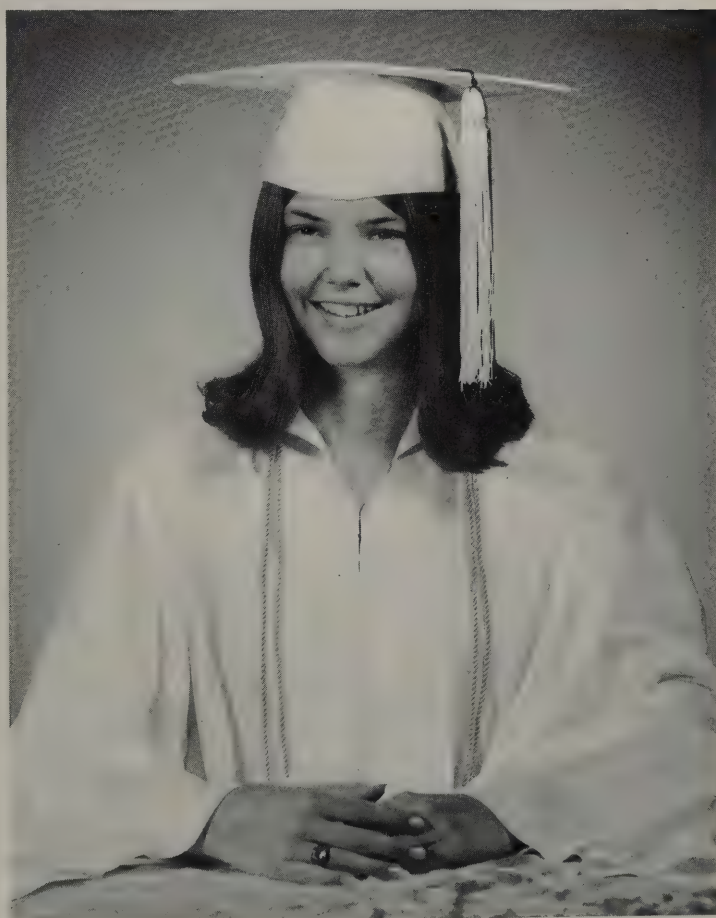

The Senior Class of 1969 has been very fortunate in having as its scholastic leaders, two very capable leaders in activities as well.

Miss Nancee Kolarek, valedictorian with a 4.0 average, was annual editor, Latin Club treasurer, Y-Teens secretary and vice president, National Honor Society secretary and a member of Science Club, Chorus, Girl's Glee, Girls' Ensemble, Mixed Ensemble, Band, Pep Band, and acted in Stunt Night and her Junior and Senior Class plays.

Miss Cathy Cordle, salutatorian with a 3.88 average, was Girls' Athletic Association secretary, Future Teachers of America treasurer and secretary, Student Council treasurer, Junior Class secretary, she worked in the office and was a member of the National Honor Society.

Both girls are going to college. Nancee will attend Heidelberg College in Tiffin, Ohio and plans to major in biology. Cathy will be attending Baldwin Wallace College in Berea, Ohio and plans to major in elementary education.

Their absence from Highland High School will be greatly felt but we hope their additions to society will have an even greater impact.

## Baccalaureate

As graduation draws near it is a time for quiet reflections on each senior's past accomplishments and the challenges of the future.

In Baccalaureate **services** on the Sunday prior to Commencement, several ministers from neighboring congregations participated in a special religious service to **prepare** the **seniors** to leave high school.

Mr. Phillip Rentz of the Hinckley Our Savior Lutheran Church delivered a fine message about the "Reality of God" and ministers John Kusiak, Myrl Gephart and Peter Rudowski all took part in prayers and scripture lessons.

The music for the service was provided by the chorus. The senior members took part in singing "One God" and "The Lord Is Great".

**The future** of every senior class holds a part of the nation's future in its hands and it is hoped that this period of contemplation will prove to be beneficial to them all.

# Commencement

Commencement means not only the presentation of diplomas but makes the announcement of the **awards** merited by seniors for their contributions to the school and society in the fields of scholarship, athletics and activities.

Scholastically, the two Violet Richie awards **went to** Nancee Kolarek, valedictorian, and Wendy Duke, semi-finalist in the state on scholastic achievement tests. Lynne Johnson received the Highland Council Scholarship which is awarded to an **outstanding** senior planning to go into the teaching profession. This year also marked the first time that a Highland senior, Mike Cavanaugh, was a recipient of a very fine scholarship from the King's Daughters. This was based on leadership abilities, social service, character and scholastic quality.

In the field of athletics, two awards are given. The Charles Hardman Award goes to the best all-round senior athlete and this year that senior was Bob Young. The Wade Ormsby, Jr. Award is based on outstanding quality shown in athletics,

dramatics, scholarship and social well-being. The award this year went to Jim Ranftl.

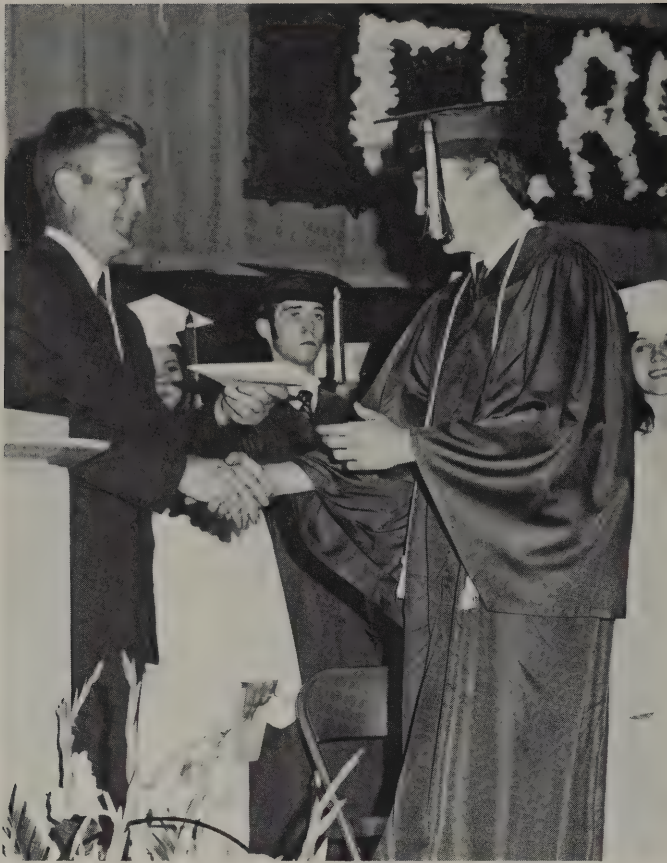

Activities, too, rank high on the list of important details in school life. Because activities are varied, opportunities are numerous for the entire student body to join in and express themselves as individuals. Two **seniors**, a girl and boy, are selected as having done more to promote activities each year. These seniors are Mike Cavanaugh, selected for his outstanding work in leadership positions and Mindy Robertson for her work within a club and as a leader.

There are three music awards given also. The John Phillip Sousa Awards went to Nancee Kolarek and Patty Wiese as outstanding bandmen. The Chopin Award went to Nancee Kolarek for her excellent contributions on the piano as accompanist and soloist.

The senior class has a right to be very proud of these people. They have done a good job.

I Present To You

The Class of 1969

In Memoriam

Richard Dale Seymour

Dear Reader,

This is the most enjoyable page of the book. While working on the others, a lot of friendships were made, some were strengthened, and others broken.

Now that the book is done, we, the staff, can recall many things . . .

- . . . Tuesdays 1st period —
- . . . Thursdays 1st period —
- . . . Wednesday's migration to Grangerburg —
- . . . making a united front —
- . . . begging the sun to come out —
- . . . sorting torn book covers —
- . . . nagging Mr. N. to have his pictures taken —
- . . . making that first deadline —
- . . . making that second deadline —
- . . . that third — that fourth —
- . . . changing Dorothy to Dorthy —
- . . . running out of final mats —
- . . . reading petitions —
- . . . trying to find a ruler —
- . . . trying to communicate —

In some ways it's all over, yet in others it's just beginning. So, here it is and we hope you'll cherish it, for as someone said in a nasty rumor, "It might be an antique someday."
